**Old Salem Farm requires all professional photographers to apply for a Private Photographer pass if they plan to sell OR GIVE their photos to exhibitors.**

A Freelance Photographer pass is distinct and separate from a Media credential which is available to photographers on assignment for recognized media outlets. A media credential grants permission to shoot photos for use by that media outlet ONLY and does not allow sale or any other use of photos taken at Old Salem Farm.

**Any infraction of this policy will result in the revoking of the Private Photographer credential, forfeiture of the fee, expulsion from the grounds and possible legal action.**

Private Photographer Pass - \$750 per photographer per horse show. No discounts for additional photographer(s) with the same company. Maximum of five (5) riders per photographer

Freelance Photographers may not solicit, substitute or add new clients once this application has been approved. Official photographers have positioning priority at all times.

By signing this application, I hereby declare that I have read and accept the Photographer Policy for the 2024 Old Salem Farm Horse Shows. I understand and accept that **any infraction of this policy will result in the revoking of my credential, expulsion from the grounds, denial of credentials in the future, and possible legal action.**
